Guidance Notes to all Athletes.

Before applying for membership please read the following carefully.

- * We are an athletics club and our aim is for you and the Club to succeed at the highest level possible.
- ❖ A commitment to training and competition is required. Coaches, team managers and other Club officials give their time freely and expect athletes to attend regularly. The harder an athlete trains – the better they will become. You only get the results if you have put the training hours in.
- ❖ Athletes are expected to follow coaches' instructions at all times to ensure their safety and correct development.
- * **At Athletes are expected to compete for the Club when selected, unless there is a very good reason why they cannot. The Committee reserves the right to suspend the membership (without a refund) of any athlete failing to compete in at least 50% of available competitions, and/or refuse further membership applications for that athlete.**
- ❖ The Club T-shirt issued free to all new members is our official second strip. However, athletes can buy the official vest and other club branded clothing from Kerry Baker, our Kit Manager, on most training nights.
- ❖ Athletes are also requested to wear black or navy athletic shorts when competing for the Club
- ❖ If wearing something under their Club vest, athletes are requested to ensure it blends in and avoids clashes with brightly coloured football shirts etc. The free issue T-shirt would be ideal.
- ❖ If you feel that you may have difficulty in complying with any of the above guidance notes, please discuss the matter with the Club Secretary to consider if athletics is the best sport for you.

Please note:-

- ❖ **The Club operates an Athlete Assistance Fund. If you are in need of financial support, however small, please speak to the Club's Welfare Officer, Dyane Barrett, Club Secretary Frank Gorman or Chairman Jonathan Baker in complete confidence. Please see the Club website for more details.**

I have read and understood all the guidance notes above and wish to join the Club.

Sport can and does play a major role in promoting inclusion of all groups in society. Inequalities have traditionally existed within sport, particularly in relation to gender, race and disability. Chesterfield and District AC is committed to promoting and developing sports equity, which is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. By monitoring the profile of young people in sports clubs, national governing bodies of sport and Sport England can identify any issues relating to under-representation of different groups.
